Re: Request For Response Letter

IG File No.: INVEST-000070
File Name: Carr, Terrance; Williams, Charles; Laux, William

Dear Bonnie:

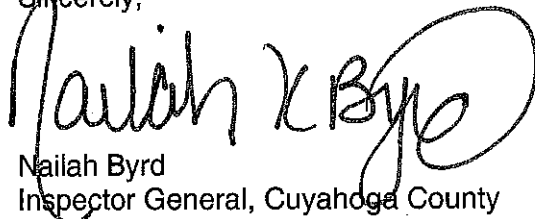

On May 7, 2011, the Agency of Inspector General received an anonymous complaint from a Cuyahoga County employee alleging that Cuyahoga County Public Works employee, Terrance Carr was at the Lakewood Tavern drinking alcohol during County work hours. Additionally, the complainant alleges that Carr and his employees Charles Williams and William Laux drink alcohol in the Iron Worker's office in the Cuyahoga County Justice Center.

The Agency of Inspector General investigated the allegations and issued the attached report. Included in the report are several recommended actions that should be taken to prevent similar abuses from occurring in the future. These recommendations involve an increase of management oversight of the Cuyahoga County Trades' employees.

As stated on page 14 of the attached report, the Agency of Inspector General requests that you issue a response letter by April 11, 2012, indentifying corrective action.

If you have any questions or if I can be of any assistance please contact me at my direct dial number listed below.

Sincerely,

Nailah Byrd
Inspector General, Cuyahoga County
